

2025 MEMBERS WORKSHOP
featuring
BRUSHO PAINTING with LYNN SHIELD!

TRY SOMETHING NEW! This workshop introduces us to Brusho crystals, a powder form of watercolors. Come and experiment with the vibrant beauty of BRUSHO and learn various techniques using this unique medium, including sprinkling, spraying, blending, painting and dripping. MTWS Member Lynn Shield, who won last year's Members Show with a beautiful BRUSHO painting, has graciously agreed to share her expertise with us at the Members Workshop on Friday-Saturday, June 13-14, 2025.

And WOW! All Brusho paint crystals will be provided by MTWS! Also included are the instructions and a demonstration of an alternative to traditional framing. Participants need to come prepared with two quarter sheets (11 X 15) of 300 lb (Arches recommended) or 140 lb cold press paper, pre-sketches with the horse and wolf pictures provided along with an additional supply list, which will include supplies for the mounting and sealing alternative to traditional framing, if they wish to participate.

The MTWS Members Workshop will be held at the Bitterroot Valley Elks Club at 203 State Street in Hamilton, in a spacious and well-lit room and including beverages and snacks. Participants will also have the opportunity to enjoy dinner and cocktails at the Elks' Friday Pub Night for a modest fee of \$15.

Plan to arrive at 8:30 on Friday to set up as instruction will be from 9 to 4 with a 1 hour break for lunch. On Saturday, complimentary pizza will be

offered at Explore the Arts Gallery on 7th Street, followed by the Lynn's Juror Talk and presentation of Members Show awards at 12:30 pm.

Deadline to register for the Members Workshop and the Dinner is SATURDAY, MAY 17, 2025.
